Priority 1 Funding Available For Your Telephone System

Preserve your capital dollars with a rental program.

Maximize rental program by utilizing ERate.

Comprehensive Program

This new managed service program will provide a phone system and support for the system all for a fixed monthly cost. Under this program, all eligible components can be covered by ERate as a Priority 1 Service. No longer must you qualify for Internal Connections to update your telecommunications system. The majority of components for the phone system are eligible, primarily the phone instruments and special applications won't be eligible for funding.

This is a very comprehensive program allowing your school to have up-to-date communications capabilities at a fraction of the cost. Following is a list of services that will be included in the plan:

- Telephone system hardware and software
- Design, programming and installation
- Ongoing maintenance
- Help desk support
- Repair or replacement of defective parts
- Preventative maintenance
- Database backup
- Software only upgrades included to keep the system up to date and in support from the manufacturer.

One low monthly price can provide it all for you.

We reduce the impact of telecommunications failures by minimizing their occurrence, and any unforeseen issues are dealt with as a top priority.

We understand the importance of your communications for safety and security.
