

## Technology Assurance Group Recognizes CTS Technology Solutions as an Elite Unified Communications Provider

Sparta, IL — April 18, 2011 — CTS Technology Solutions Inc., a leading unified communications provider, announced today that the company received one of Technology Assurance Group's top awards at the organization's 2011 Convention held in San Antonio, TX in March. Technology Assurance Group (TAG), an international organization of independently owned unified communications companies in the United States and Canada, selected CTS as the winner of the "Best Unified Communications Provider" award. CTS Technology Solutions was highlighted as a dominant unified communications organization during a prestigious awards ceremony attended by TAG's Member companies and leading technology manufacturers. In addition to the corporate office in Sparta, IL, CTS has office locations in Belleville & Carterville, IL and St. Louis & Cape Girardeau, MO.

The highly sought after award, is based on the company's ability to show a true blend of technology that satisfies all of the needs of small to mid-sized businesses. They offer an unsurpassed array of data networking, voice, and video solutions all designed to increase their customers' profitability and productivity. The "Best Unified Communications Provider" award was presented to Dave Heuman, President and CEO of CTS Technology Solutions. "We have put a great deal of emphasis on providing our customers with solutions that satisfy all their needs," said Mr. Heuman. "It is our mission to be on the leading edge of technology and we're proud to be recognized for our efforts."

Dale Johnson, CEO of TAG, presented the award to Mr. Heuman. "CTS has been a dominant Member of TAG for many years, it was no surprise that they emerged as the leader in providing excellent unified communications solutions to their customers," commented Mr. Johnson. Their focus on being at the forefront of technology and truthfully educating their clientele is why they deserve to be recognized as the best provider in our industry."

CTS Technology Solutions, Inc. is committed to providing exceptional value through managed services that assures a fixed cost for their business partners. Their highly trained and motivated professionals will constantly strive to offer proactive services that maximize the profits, productivity, and competitive advantages of those partners.
